A copy may also be sent to the 2 Supdt for considering the subject in consultation with the D E of Edn It is desirable to encourage Sanskrit Edn but one difficulty in the way is the want of suitable openings for the men after going through a course of study Formerly several of these men found employment in taluk, Dt other offices as gumastas, munshis or & they discharged their official duties fairly satisfactorily & also devoted their spare time to study Composition or But latterly these openings have been closed to such people owing to the fact that at least a smattering of English is required even in a taluk office & a man who has passed the English Lower Secondary Exam is preferred to a man who knows no English I do not know if this increasing dominance of English is an unmixed good & whether it will not be conducive to progress to get all the men work in minor offices done as far as possible in Kanarese

From Kalasa re drawn up by Mr Subrahmanya Iyer at my suggestion, I think

9 With reference to the above query it is submitted that Rs 4 Rs 5 in Sri Sringa Swamysabha offers 5000 Rs for a Students Home + Rs 70 per month for feeding poor Students of the Sanskrit College has not taken any definite shape yet, and there is no correspondence in the matter

10 About 75 Students of the Bangalore Sanskrit College are fed once a day, in the Govt Annachatram at Balepet, Bangalore City

11 This office is not aware of any arrangements made in Mysore City for feeding Sanskrit Students there

12 The note referred to by the Dewan Comptroller was prepared by Mr A Subrahmanya Iyer in connection with the finding of funds for the maintenance of the Bangalore Sanskrit College - The file has been submitted in another connection, & so an extract from that note as regards funds from the richly endowed temples from which money can be drawn for purposes of Sanskrit Edn (Specially for the Bangalore Sanskrit College) is put

Extract from Mr A Subrahmanya Iyer's note in Misc file No 500 of 09-10

The only sources from which any extra amount that may be required can be met are (excluding the Uttaradi Matt) referred to in File No 186 of 1910 (1) The Kalasa Temple and (2) The Chamarajanagar Temple

14 The Kanjangud and Melkote Temples though they have large cash grants from Government cannot contribute anything nor is there any Chattram that can spare funds

15 A statement shewing the income and expenditure of the Kalasa and Chamrajanagar Temples is appended It will be seen that providing for a prospective increase of Rs 52 a month under establishment in case of the Kalasa Temple, a saving of Rs 5252-10-2 a year in this Temple, and a saving of Rs 4653- in the Chamrajanagar Temple may be expected

16 I do not think the point that the funds of these temples can well be used for the purposes of a Sanskrit College and that such use will neither be sequestration nor spoliation need be laboured here but I would respectfully urge that the General Revenues should fairly bear this share of the cost of the maintenance of such a College It is not for me to say what the proportion should be

17 hough a saving of more than Rs 800 a month from both institutions is expected I

NOTE—Contn sheet

Serial

I would not recommend the use of more than Rs 500 a month or Rs 6000 a ye r, hich is almost the interst derived on the invested surplus of these temples the balance may be wanted for other purposes Rs 275 from the alasa emple and 225 Rs from the Chamar anagar Temple may be taken I may in passing invite attention to a minor matter It would perhaps be better if the establishment charges included in these Tasdiks of these two temples viz Rs 890 for the Comptrollers office Rs 1140 for the uzrat Superintendent's Office and Rs 1512 for the Hysore Deputy Commissioner's Office were met from the General Revenues and these amounts allotted for the Bangalore Sanskrit College the Educational grant being proportionately diminished ie instead of the Bangalore Sanskrit College having an education grant of Rs 508 a month (as I have shewn at page 30 of this note) it may have a grant of Rs 12 only and instead of Rs 30 from Temple funds it will have Rs 320/- from the Temple funds Corresponding to this charge the cost of the establishment of the Comptroller's office &c instead of being met from the funds of a temple would be met from State Funds

After all as I have said this is a minor matter

It will thus be seen that the College can if necessary command Rs 898 a month

25 The above Statement ~~and~~ the above note shows that a saving of Rs 5252-10-2 per year from the Kalasa Temple funds, and of Rs 4653-8-4 from the Chamaraj Nagar Temple funds can be expected. Dr Subrahmanya Iyer has suggested above that not more than 275 Rs per month from the Kalasa temple funds & Rs 225 per month from the Chamaraj Nagar temple funds may be taken for the use of the Sanskrit College, the remainder being required for other purposes

26 Read 3rd query on page 5 of the prop. "What is each matha doing now"?

27 With reference to the above query it is respectfully submitted that each important matha has been maintaining its own Pathasala except perhaps the Sri Parakala matha The Sri Sungeri matha & the Parakala matha were giving Rs 100 and Rs 30 respectively for the use of the Bangalore Sanskrit College and the Parakala matt Rs 100 to Veda Vanta Bodhini Pathasala at Melkote They discontinued these grants On the subject of the Sri Sungeri Matha's discontinuance of this grant

& the Bangalore Sanskrit College is being dealt with in another file which is now pending with the undersigned

28) The discontinuance of the Pavakala Mahajana contribution of Rs 100 to the Veda Vedanta Brahmana Patasala at Melkote has resulted in that Patasala having been closed & no provision has to be made for the revival of this Patasala

29) The Uttaradi & Vijayanagara Swamis Mathas have Patasalas at their Head Quarters, Hole Narasipur & Sosale respectively

30) The Sivaganga Mutt has been contributing Rs 10 per month to the Bangalore Sanskrit College It has as the Councils recently awarded further offered 5000 Rs for Student house & 70 Rs per month for feeding Students at Bangalore

31) The Sringeri Mutt has been maintaining a Patasala of its own at Sringeri & another under the name of Indian Sanskrit Institute at Bangalore at a heavy cost That is the reason why it has discontinued its contribution of Rs 100 for the Bangalore Sanskrit College

D O No 606

Dear Mr Rajagopalachari

With reference to your D O letter No 8429/Edn 144-12 dated the 19th instant I write to inform you that so far as I am aware there is no rule or order in force to the effect that Sanskrit-knowing men should be preferred to others for Government appointments I remember that in the days of Sir Sheshadri Iyer there was an attempt made to give some encouragement to the students of the Sanskrit Patasala at Mysore but I do not think that the directions given were observed in practice

I enclose herein a copy of the curriculla of Sanskrit studies followed in the High School Classes of Bombay

Yours sincerely

H Shamanna Rao
